

PPSEAWA – USA, N.Y. Chapter

Pan-Pacific and South East Asia Women's Association of the USA, Inc.

CONSULTATIVE STATUS CATEGORY II WITH THE UNITED NATIONS

Accredited to the United Nations in association with Department of Public Information

Dear Members and Friends,
You are cordially invited to attend June Program
Professor Arlene Cohn will talk about

OBESITY

Obesity is a complex problem.
Professor Cohn will discuss the development of obesity, possible treatments,
the role of genetics and the future direction of research.

Professor Arlene Cohn

Dr. Arlene Cohn received an MA in physiology at Hunter and a Ph.D. at SUNY Downstate Medical Center. She has been a member of the faculty at Hunter, City College, York and Downstate Medical School. For several years she served as Program Director of the NIH sponsored Minority Biomedical Research Program at York College and also worked as a consultant for NIH. Currently she is a Professor Emeritus of Biology at CUNY.
